Issue 2 | February 2021

Activity Update

Activities are running across all our regions. There are a lot of new activities and training planned in the coming weeks and months to support our clients with upskilling and support of their communities.

Reminder

Under Centrelink requirements, Job Seekers have a mutual obligation which for most clients is compulsory; to complete activities listed in Job Plans, attend appointments with CDP providers, completed job search, and accept any suitable paid employment. If Job Seekers do not meet their mutual obligation requirements, they could face suspensions or financial penalties that may be applied by Centrelink.

To avoid any impact on payments Job Seekers, need to attend activities or be in contact with their nearest CDP office as to why they cannot attend.

Mutitjulu Pizza Fridays

Participants are taking part in Pizza Fridays at Mutitjulu, everyone is involved from the planning of the toppings which is done early in the week, how many pizzas made are based on who is attending the activity.

This pizza oven was assembled and then decorated with hand-painted tiles by the Mutitjulu activity.

Elliott – Recycling Project

Elliott participants are in the process of building furniture out of recycled materials as well as restoring furniture.

As part of making their activity space practical and looking special, they have begun painting the shipping containers and looking forward to training starting in February to build a Dome for an outside undercover work-space.

Tennant Creek – New break out space

Learning new skills, creating new shade space as part of their activity, the men have been cutting pavers, laying pavers, and building planter boxes all part of their space at the "Hub." The next stage is planting vegetables in the planter boxes and building an outside oven.

Building A Strong Partnership Voyages at Yulara

The Rise-Ngurratjuta team at Mutitjulu is working with the Employment and Education Pathways team at Voyages at Yulara. Voyages have put together a variety of taster activities for job seekers to do short work experience in different employment areas to get an idea of what is involved in the job.

The different experiences will range from House-keeping, Security, Landscaping/Gardening, Hotel Front of House, Food & Beverage, Kitchen Steward, and Retail with more planned. Voyages develop new ways to allow job seekers to experience and build skills to join the workforce.

Employee of Month

Meet Christopher Dixon, he is a local man from Mutitjulu who started employment at the Mutitjulu Pool in January 2021.

Christopher will start training to become a lifeguard. With the support of his manager and his Consultant at Rise-Ngurratjuta, Christopher will be undertaking several certified training activities to become fully qualified. We wish Christopher all the best in his new career.

New Staff Members

The Tennant Creek Team is excited to welcome two new members, Melissa Carse & Fiona McCabe-Keys.

Melissa has a wealth of knowledge in planning, delivering training, plus has worked in the delivery of the Community Development Program.

Fiona is new to the industry, but her strong banking and administration skills are a bonus to support our clients.

Both ladies are fitting into the team and already providing great customer services to our clients.

Bri & Zac

The NEW Docker River Team started in January 2021, we welcomed Bri Williams & Zac Smith. They have several years of experience working in remote communities. Bri and Zac are keen to work with the community and have lots of great ideas to support our clients.

12 Months of Service: Rise-Ngurratjuta

Rise-Ngurratjuta would like to thank Manny Fry-Croydon, Kenny Hewson, Louise Hewson, and Craig Shaw for their 12 months of service with the team. Without your dedication, time, and skills, the team members across the regions could not provide the services for our clients.

Wet Season - Time to Slow Down on the Roads

Just a reminder to everyone to be safe while driving in the NT. This time of year, the rains can change road conditions in minutes, especially if on dirt roads.

- ⚠ Check the weather if it is safe to travel.
- ⚠ Have a full tank of fuel for long drives.
- ⚠ Check your car if it has a spare tire.
(Make sure you have the tools for changing a tyre in boot of your car)
- ⚠ Slow down driving when raining.
- ⚠ If on a dirt road slowdown - beware of puddles
- ⚠ If you break down - DO NOT PANIC - Breaking down is common.
- ⚠ Stay with the car.
- ⚠ Wave down passing cars to ask for help or ask them to get help for you.
- ⚠ Keep in mind that everyone helps everyone in the bush.

Keep Safe on our Roads

Training Update

Training is coming to our activities, in partnership with the Bachelor Institute. We are in the process of mapping out a 12-month training plan. Training for the first part of the year will commence in Elliott, Tara, Mutitjulu, and Tennant Creek. There is more training planned for Mungkarta, Ali Curung, Epenarra later in the year.

If you would like to know more about training, please talk to your consultant or contact our nearest Rise-Ngurratjuta office.
